Teaching Safety - Empowering God's Children by Virtus is designed to teach children the skills they need to recognize boundary violations that precede abuse, to remove themselves from uncomfortable situations, and to tell a trusted adult when someone has crossed a boundary with them. Lessons for this program, which is the Diocese's response to the Bishops' charter for the Protection of Children will be offered to our children during **CATECHESIS OF THE GOOD SHEPHERD** on **Sunday, October 1st**. More information about the program as well as safety tips for parents and recommended reading is available on our website. For an overview of the lesson your child will receive or any questions and concerns, please email *Susan O'Connor* at DRE@saintrichard.com.
