PROTECTION OF CHILDREN AND VULNERABLE ADULTS. The Diocese of Jackson is committed to ensuring that no one being served by the church is at risk of sexual abuse or exploitation by clergy, religious, or lay church personnel. The spiritual well-being of all the victims, their families, and others in the community is of particular concern to the church. In accordance with our policy, all victims are offered counseling and pastoral care. Anyone who has been a victim of abuse or exploitation by clergy or religious or lay church personnel and has not yet reported it is encouraged to do so. Our victim assistance coordinator, *Erika Rojas* (601-326-3736), is available to assist in making a report. For more information about diocesan policies and procedures and to learn what the diocese is doing to create a safe environment for everyone, please visit the diocesan website at www.jacksondiocese.org and click on "Protection of Children."
